BUGS AND DRUGS: THE EFFECTS OF OCTOPAMINE ON THE SENSITIVITY OF FEMALE ORNS TO THEIR OWN SEX PHEROMONE IN HELIOTHIS VIRISCENS  

Kavanaugh, Rhys, Dr Kirk Hillier  
Department of Biology, Acadia University, Wolfville, NS  

(Rhys Kavanaugh graduated from (high school name) in (city or town and province or state or country) in (year). Rhys is currently completing his Honours thesis in his fourth year Biology at Acadia. Other activities you want to mention- that would aid in recruiting? Perhaps list any major awards you received while at Acadia. Briefly describe - future plans. This all should be written in the third person, as if someone else was writing it. Space is limited!!!!!)
